

# Rave Reviews from '09 Private Reserves!

I just wanted to let everyone know how much me and my family and friends (their were 6 of us at the Private Reserve) enjoyed this weekend. We loved all the projects that we did and liked playing games! Everyone one was so nice and Michelle is a wonderful teacher! It is nice to attend an event where you are truely relaxed and feel welcomed by everyone!!! Keep up the good work and we are all looking forward to seeing the Quick Quotes 'Family' next year!!! Thanks again for a wonderful weeked! -sas1048

What a great weekend in Valley Forge, PA at the Private Reserve QQ Weekend. We had a great teacher and the Quick Quotes family themselves truly made this an awesome experience. I've been to many weekend events over the past 5 years, but I can tell you, that you'll come away from this particular one feeling that you are the most creative person. Plus, not to mention that everyone's a winner of two or more door prizes, so that in the end, you need a handtruck to get all of your new creations and just-bought merchandise loaded into your car. Can't wait til next year. -joyce714

It was an absolute BLAST! From beginning to end. We attended Tulsa and are going to Atlanta this year. We were catered to the entire time! I didn't win any of the huge prizes but came home with well over \$500 worth of product. An entire 6 X 6 album and a 12 X 12 album in one day. Patsy is a hoot! What a blessing to meet you all. -Norma Webb

Last year was the first time I have ever experienced scrapbook conventions. I ran the entire circuit. I went to every convention I could find. The Quick Quotes Private Reserve was the last convention I went to. I was beat by the time I attended this last event. I assumed it would be like all the others. Well, let me tell you how wrong I was. It was better than anything I had attended previously. It was so organized. Everyone was so nice. The projects were to die for. It was amazing. This year, I decided that I really didn't want to run the whole convention circuit again, but I sure did sign up for another Quick Quotes Private Reserve. A group of us are going and it is the most anticipated trip of the summer. -Beth Cottrell

I have attended the one in Washington and the one in Az. Awesome, awesome, awesome!!! These people really know how to put on an event! -Cindy Watkins
